

Preparing for college is quite an involved process and identifying and accumulating all the necessary items can be somewhat of a daunting task. Over the years, we have developed and refined a What-to-Bring Checklist (below) as a tool for our parents and students.

To help complete this checklist, we have partnered with SWAK University Services to establish our own Residential Life sponsored outfitting store <http://www.swaku.com/westfield-room>. At our store Westfield State families will receive an exclusive 20% discount on their entire order by using the discount code **westfieldRoom**.

Our store includes over 1000 products for their room including a great selection of high-quality bedding products. All our bedding products have proven they can stand up to the rigors of college life. They will not bleed or fray, are guaranteed to fit our Twin-XL beds and are guaranteed to last until graduation.

Our store also offers discounted bundles that make outfitting their room a breeze. You can choose a bundle that just focuses on their bed or one that has everything they need for their entire room.

You will have the option to send your order home or directly to campus. Everything sent to campus will be labeled with your student's information and available for pick-up during our move-in period.

The deadline to order for on-campus delivery is July 22nd, but order early for the best selection of linens and other popular products.

Our room outfitting program is a service to our parents and students and a fundraiser for our organization. If you have questions, you can text 833-673-9047 for the fastest response, or you can email service@swaku.com.

Thank you for your support.

Chris Willenbrock Director of Residential Life
John Zocco Associate Director of Residential Life

----- What to Bring Checklist -----

Bed and Bath **

- Sheets
- Comforter
- Mattress Pad
- Pillow(s) and Pillowcases
